## TEAM REWARDS CHAMPION TITLE

AASCF is introducing a special division for those teams supporting one or more of AASCF events - win **trophies, gym banners** and **cash** at our 2010 events...

This is how it works..... Bring your team to compete at as many AASCF events and sections as possible, including Nationals, and earn points toward the Team Rewards Champion Title.

Points can be earned just by attending any AASCF event, all events are equal and points are the same for all levels. Note: to be eligible your Teams must attend the AASCF National Championship.

How the points will be awarded to the teams at each AASCF event...

1. **First Place - 4 pts.**
2. **Second Place - 3 pts.**
3. **Third Place - 2 pts.**
4. **4th Place and below-1pt.**

**+ 1 point per team for attending**

\*There must be 3 or more teams in your division to receive the points. Stunt Groups, individual events and coed partner dance will not count toward your Team Reward Points. This is a team incentive. 80% of the athletes must be on the team consistently. In the event of a tie, the highest scoring of the 2 teams at Nationals' will be the basis to break the tie.

Results and trophies will be announced at our National Championship.

## SCHOLASTIC DIVISIONS

All of AASCF Championships offer scholastic divisions, and where possible, we make sure that your schools team is only up against other schools. As the sport of all star cheer and dance has grown in the schools, we now have many straight school divisions and also have a Grand Champion Scholastic banner at all of our Championships given to the highest scoring school team. Nevertheless, we do allow schools to compete in the regular All Star sections if they choose which often suits the schools with more advanced cheer programs.

## INDIVIDUAL EVENTS COMPETITION

One of the most popular sections at the AASCF competitions are the sections highlighting individual efforts, such as “Best Junior Level 1 Tumbler”, “Highest Basket Toss”, “Most Pirouettes”, etc. These competitions are open to all registered competitors. All State winners must represent their school in NATIONALS finals. You don't need to compete in every section, and please enter only your best candidates (or State winners) in each section. Any individual can compete in more than one section. Please make note we now have levels 1-5 in the tumbling individual events. **(There is no extra cost to enter in these events and trophies are given to the winners).**

## AASCF GIVES BIDS AT THE AUSTRALIAN CHAMPIONSHIPS TO THE USASF/IASF CHEERLEADING & DANCE WORLDS, 2011 IN ORLANDO, FLORIDA AT WALT DISNEY WORLD

- 2007 AASCF took *Cheer Victoria's Australian Outlaws to the Cheer Worlds*
  - 2008 AASCF took *Queensland's John Paul College to the Dance Worlds*
  - 2009 AASCF took *Cheerleading Victoria's Australian Outlaws to the Cheer Worlds,*
  - 2010 *Sydney Altitude to Cheer Worlds & Phoenix All Stars to Dance Worlds*
- Who will be on their Worlds journey in 2011?

### WHAT DOES THIS MEAN AND HOW DOES THIS WORK?

The International All-Star Federation (IASF) is the World Governing Authority for All Star Cheer & Dance standards in safety, education, competitions, and sportsmanship. A non-profit organization made up of top industry leaders from the USA and around the world, the IASF aims to build the cheer & dance community by creating standardized safety rules, educating coaches and athletes, and hosting the ultimate athletic competition—

### The Cheerleading & Dance Worlds.

This competition is only open to teams who have been invited to attend as a “bid” winner. The IASF utilizes member companies (including the AASCF) to select bid winners at their competitions and those athletes come together in April to really test the limits and see who the true World Champion is.

Each event producer, hosting a Worlds qualifying event, has the discretion to select the divisions and process the bids are awarded. AASCF bid winners of the “Partial Paid” bids will be awarding a **specified dollar amount** towards the team’s travel package to the Worlds.

**As the first international member company in Australia** of the USASF/IASF, the AASCF will select **Partially Paid Bid** cheer & dance bid winners at the **Australian All Star Cheer & Dance Championship**, which will be held in a different State of Australia every year. If the bid winners should select to compete at the Worlds, AASCF will provide support options to help fund the trip.

All Australian cheer teams performing at level 5+ and elite dance teams are eligible to be selected for this prestigious honor. Selections of bid winners are based partly on score and partly on judge panel criteria. All decisions are final. Winning teams will also be featured on a set page of the AASCF website throughout the entire 2010-2011 season so they can have a place to direct other potential sponsors in their efforts to obtain funding for the trip. AASCF will work closely with our Worlds bid winner(s) to support the process for everyone involved. [www.iasfworlds.org](http://www.iasfworlds.org)

2. Post your CD with all the tracks on a single CD to:

**AASCF Music**  
 24 Breadalbane Ave.

Decisions of the adjudicators are final.

## ★ How to handle procedural questions

Any question concerning the rules or procedures of the tournament will be handled exclusively by one designated representative of the team (i.e. director, coach or captain) and will be directed only to a Tournament Official. Such questions should be made prior to the team's competition performance. Any questions concerning the team's performance should be made to a Tournament Official immediately after the team's performance.

## ★ Interruption of Performance

**A.** If, in the opinion of the tournament officials, a team's routine is interrupted because of failure of the tournament equipment, facilities, or other factors attributable to the tournament rather than the team, the team affected should stop the routine. The degree and effect of the interruption will be determined by tournament officials, and the team will be allowed to present its routine from a place in the routine to be determined at the sole discretion of tournament officials.

**B.** In the event a team's routine is interrupted because of failure of the team's own equipment, the team must either continue the routine or withdraw from the competition.

**C.** In the event that an injury causes the team's routine to be interrupted, the team must either continue the routine or withdraw from the competition. Tournament officials reserve the right to stop the routine if an injury occurs and have the sole discretion to determine where the routine will resume if the team is permitted to continue its performance.

## ★ Interpretations and Rulings

Any interpretation of any aspect of these Rules and Regulations or any decision involving any other aspect of the tournament will be rendered by the AASCF Competition Rules Committee. The AASCF Competition Rules Committee will render a judgment in an effort to insure that the tournament proceeds in a manner consistent with the general spirit and goals of the tournament. The Rules Committee will consist of the Tournament Director, Head Judge, and either the AASCF Rules Committee Chairman or a tournament official designated by the Chairman. The Tournament Director may appoint additional members to those listed above to be members of the AASCF Competition Rules Committee.

## ★ Finality of Decisions

By participating in this championship, each team agrees that the decisions by the judges will be final and will not be subject for review. Each team acknowledges the necessity for the judges to make prompt and fair decisions in this competition and each team therefore expressly waives any legal, equitable, administrative or procedural review of such decisions.

## ★ Sportsmanship

All participants agree to conduct themselves in a manner displaying good sportsmanship throughout and following the tournament. The coach and/or gym owner of each team is responsible for seeing that team members, coaches, parents and any other persons affiliated with the team conduct themselves accordingly. Severe cases of unsportsmanlike conduct are grounds for disqualification as explained in this document above.

## ★ Deductions and Disqualifications

Any team that does not adhere to the terms and procedures in the "Rules and Regulations" may be disqualified from the competition and automatically forfeit the right to any prizes or awards presented by the competition.

## ★ Scores and Rankings

Individual judges score sheets are for the exclusive use of each particular judge. Each judge has the responsibility and authority to review and submit his or her final scores and rankings prior to the final tally of the scores for all teams. Scores and rankings will be available only to coaches or gym owners at the conclusion of the competition.

## ★ Appearances, Endorsements and Publicity

All teams winning titles, awards or prizes agree to have all appearances, endorsements and publicity approved through the AASCF office.

## GENERAL GUIDELINES - SCORING PROCESS

### ★ Scoring Process

Scores will be based on points per each Scoring Judge. Each category will range from 5 to 20 points. These scores are transferred to the "Official Tally Average score Sheet". Violation penalties are then deducted to arrive at the "Grand Total" score.

### ★ Scoring & Violations Judges

Responsible for scoring each squad's performance based on the AASCF score forms. Judges will fill out their own score sheet. The Scoring judge will also determine violations of the General or Safety Guidelines.

### ★ Routine Scoring Categories Breakdown

Showmanship, Dance Choreography, Unity, Execution & Composition, Formations, Costuming & Grooming, Stunt, Tumbling & Pyramids, Technique, Flexibility, Strength, Jumps, Kicks & Turns, Pom pom motions, Cheers & Chant, Music.

### ★ Technical Safety & Cheerleading Safety Spotters

- You must have proper training before attempting any skill
- Choose to perform only accomplished skills or your team will be subject to violations
- In Cheerleading, your own **Safety Spotters** are required for extended stunts or team will be subject to violations. A safety spotter can be a squad member or a person that may step onto the performing area during stunts to assist in the event of an unexpected fall. They must remain at the back of the performance area at all other times and watch for any hazards in the stunt or mount. Safety Spotters

# 2010 Australian All Star Cheer & Dance Championship series package

not part of the routine MUST be dressed in black long pants and a black shirt. There should be NO verbal coaching by Safety Spotters during the routine. Any occurrence will be considered a violation and the team will incur a deduction.

- No team is permitted to stunt without a qualified coach present.

## ★ Routine Violations

Violations & deductions are assessed at the discretion of the judges. All judges' decisions are final.

### Time Violations (TV)

All Cheer & Dance routines will be penalized if they are over time limit. 5 points if you are 5-10 seconds over and then 1 point per second thereafter. 30 seconds over the allotted time the music will be stopped. Coaches are strongly advised to create their routines to finish a few seconds under the time limit to avoid this violation.

### Safety Guideline Violations (SGV)

Each General and Safety Guideline violation will be assessed to a one (1) to five (5)-point deduction. Guidelines are in effect until the team leaves the performance area. All coaches are to read and study the IASF/USASF Guidelines to make sure teams do not incur any of these violations. You can download these from [www.usasf.net](http://www.usasf.net). **Jewellery and fingernails are deemed a SAFETY HAZARD, and as such every item of jewellery will cause an infraction on your team's scorecard. Plasters or adhesive tape covering jewellery and nails do not constitute a safety measure. All items of jewellery must be removed and nails cut short. There will be a Jewellery & nail check in pre-holding.**

### 1/ Accidental Violations

Point five (0.5) point deductions will be assessed from the total score for each minor mistake. Some examples are:

- ★ Forgetting choreography
- ★ Dropping Pom poms
- ★ Stepping off the Cheer surface during tumbling lines.

### 2/ Minor Violations

One (1) point deductions will be assessed from the total score for each minor mistake. Some examples are:

- ★ Unstable stunts or pyramids
- ★ Obvious errors in dance maneuvers or cheer execution
- ★ Inappropriate music or movements

### 3/ Major Violations

Two (2) point deductions will be assessed from the total score for each major mistake/fall. Some examples are:
